INTRODUCTION

Bridge Over Troubled Water

Bridge Over Troubled Water details each of the strongholds in my life and how Jesus shielded me from falling into the hellfire that was trying to destroy any chance of me fulfilling my purpose in God.

As the cover shows, a man stands on the pier, Jesus is the bridge that provides safety from the hellfire beneath and the demonic activity all around, with God waiting on the other side.

Each Chapter gives many suggestions on how you can overcome things such as crisis, and casualty, in the Spiritual battles you fight.

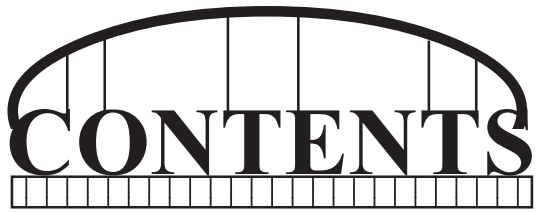

It further emphasizes how you can truly be protected from the wiles of the devil by doing some very simple things that God has always asked us to do, but that most Christians actually follow through on.

What happens when trouble enters your life?

Does the Bridge under you collapse and you cave in under pressure?

Or, do you strengthen the support under you by doing these very basic things outlined in detail in the Scriptures, so that you too, can withstand the ungodly activity taking place around you?

If there were ever a time to help make sure that you are not standing on a Bridge Over Troubled Water, that time is now.
