Chapter One

Human Advances

2000 years ago, Jesus came to earth as a man. He came to call sinners to repentance. This act of selflessness and sacrifice opened the door for everyone who believes that God is God, Jesus is the Son of God, Jesus is Lord, and that God raised Jesus from the dead, shall be saved. But the evidence of our salvation does not happen immediately. We have to wait until the day the trumpet sounds, announcing to the world that Jesus is coming back. The Bible says that two shall be standing and one shall disappear. It says that we will meet Him in the air. It says that Christians are waiting on that day now, more than any other time in the history of the world.

That day, The Lord's Day, is fast approaching. Everything about the prophetic view of this revelation as written about in the book of Daniel chapters 10-12, is lining up. In the 12th chapter, Daniel was told to close up the book until such time as the end would be near, then release the information. We've witnessed such a knowledge explosion ONLY in this century. From the time Jesus walked the Earth, until the 20th century, none of the following advances happened. Let's take a look.

Automobile Airplane		Enables the Gospel of Jesus Christ to be taken to all nations.
Telephone Television Satellite Computers Internet		Enables the Gospel of Jesus Christ to be seen and heard by all nations.

At no other time in the history of the world has all these things taken place until now. These are certainly signs that the end of days is near. I believe that God has given us ample opportunity and paved the way with sufficient resources for us to follow the great commission and go into all the world and preach and teach the Gospel of Jesus Christ to all nations. Why? So there will be no excuse on the day Jesus returns to harvest the church. Those who will be left behind may wonder why they were not taken up with the first to rise, but the answer is very simple, we are commanded to help save souls, and those who don't follow this command, will not have their own soul saved.
