

# TOUCHED BY GOD

KEITH HAMMOND  
A LESSONS FOR LIFE BOOK

# INTRODUCTION

Called by God at the age of 17 to walk into His calling, anointing, and purpose placed upon my life, I've recognized many times, when things I do or have done have been touched by God, and when they aren't.

As an anointed man of God, I want each and every thing I touch, sermon I preach, project I promote, endeavor I envision, program I pursue, ministry I manage, and activity I'm a part of, to be ordered, ordained, and orchestrated by God.

This book contains numerous examples of how I learned to help ensure that happens.

You, too, can follow the examples to help move your ministry forward, stop being stagnate, stop making excuses, and stop waiting for others to validate what God already placed in you.

You can be Touched By God in every area of your life by simply doing one thing that starts the process...which is S-U-R-R-E-N-D-E-R.

Most Christians don't know how to surrender. They think, and are often taught, that it's as easy as saying the words, but for some, that is not the case. Especially when they continue to walk in the same sin over and over, continuing to stand in their own way, and blocking their own Blessings.

So, let's learn, through many real world and practical examples from my own life experiences, how to surrender, release it, wait on the Lord for direction, receive His vision and provision, so that you can be certain that everything in your life, can be Touched By God.

# SURRENDER...

Whether you are a new Christian, or a seasoned saint, nothing started the process of being touched by God in every area of your life until you surrender your will to Him, and let His will be done.

Why?

Simple. As long as you do it your way, try it your way, see it your way, go your own way, or think your own way, you have already failed.

Surrender is the process of being transformed by the renewing of your mind so that you can 'prove' what is that good, and acceptable, and perfect, will of God.

His thoughts are higher than our thoughts.  
His ways are higher than our ways.

His word says 'Commit to the Lord whatever you do, and your plans will succeed.' Prov. 16:3.

The process of surrender starts by letting go of your own way, your own words, your own will, your own thoughts, and your own reasoning.

Until you do this, nothing that you do will succeed. Yes, there will be things that go well, but only what we do for God will last.

A real-world, timely example is using a gift of singing to either be a blessing to others through the edification of the church, or a curse to who hears you, through the use of God's gift to you in the world.

God's ultimate gift from you to Him, is GLORY! And the way He gets it is by you using your gift in the way He has chosen in your life., down the path He laid for your life, walking in the steps He ordered for your life. Anything else fails.

## FAITH

# I AM NOT LACKING IN My FAITH...

True

False

Answer it, it's a simple question.

Faith moves mountains. What's a mountain? debt, stress, anger, fear, poverty, sickness, etc.

Are you moving mountains or are you constantly getting crushed under them?

Faith is the process of a thought, not a thought process. Many Christians have long been stuck when examining this statement.

**Faith is the substance of things hoped for,**  
*which means there were thoughts in your mind before Faith ever made it to the surface.*

**the evidence of things not seen.**  
*which further clarifies and confirms that your Faith can manifest things into existence that you did not see.*

Faith STARTS with HOPE  
is called into ACTION by BELIEF  
and made MANIFEST by GOD'S PROMISE  
that you can have whatever you ask for  
if you have the FAITH to get it.

When God touches this area of your life things happen that may seem extraordinary to you, miraculous to you, unbelievable to you, but in fact, are quite normal for God. God is used to performing miracles such as Healing, because He knows His Power, drawn from Faith in that power, can make it happen.

When you focus your Faith on that which is unseen, you will begin to see things that can only be manifested, by Faith. Here's how...
