Learn Why Tithing Is Critical!

Keith Hammond

Introduction

Based on scriptures from the book of Malachi, God has established a failsafe system that provides Christians with the insurance, assurance, collection and protection that is ours if we take advantage of it.

This system is called Tithing, and it offers each and every member of the Body of Christ varying levels of fortification, security and defenses, as one of God's living witnesses.

The system God has put in place is simple. We give Him the firstfruits of all our increase, no matter where it comes from, and He uses it to keep the church we're paying tithes to Him through, operating.

The benefit for us, is that He honors our commitment by opening up the windows of Heaven and pouring out blessings that we won't have room enough to receive.

Witness Protection Program For Christians is a dynamic book about the process of Tithing.

Chapter One

Mandated By God Not Man

Witness Protection Program
For Christians

Tithing is mandated by God, not man. Many Christians that do not Tithe don't realize this fact, aren't paying attention to this reality, and are outright refusing to be obedient to God, because they have this strange notion that they are paying Tithes to a man.

Tithing didn't just start in the 20th Century, the first reference to the process can be found in the first few verses of Genesis chapter 4. It started with Cain and Abel.

Many Christians refuse to accept God's mandate primarily because of how they see many of today's pastors using the income. But they don't realize that God chooses people to pastor, not man. And because God has established this process, the provision that pastors receive is in return for their labor in the Gospel.

Because it is a "MANDATE" from God, we as Christians do not have the choice or the luxury of not paying Tithes. In fact, this mandate requires it. And if we do not comply, God curses the very income we get.
