I N V I T A T I O N

Pastor Keith has learned many lessons about **faith**. Born and raised on Chicago's south side in the Englewood community; gangs, guns, drugs, and jail, were a part of life. His parents were medical professionals but his mom died when he was age 9; then his dad passed when he was age 17. It took belief in God to help him let go of the past, and embrace God's will and plan for his **future**. In 1991 he moved his family to Minnesota.

As a husband, dad, and grandpa, he has a very strong **family**. He's been married 30 years; successfully raised two daughters; both married, with kids, and in great careers. His wife retired in 2013 after serving families and children for 20 years.

As a leader, he knows the value of obedience and sacrifice through **fasting**. He understands how to keep **finances** in check by tithing. He uses **fitness** to stay **focused**. And, he always moves **forward** to stay **fresh** and to be **fruitful** in the ministry.

As an author, he believes in teaching through testimony and also uses visual, auditory, hands-on, history, and life experiences. He promotes the benefits and blessings of **fellowship**. And, his wisdom and wit shows in the **fun** and excitement of his classes.
