Gospel and Grace

CHRISTIAN CHURCH

FOR IMMEDIATE RELEASE

DATE: 01 May 2014

Pastor Keith Hammond has written dozens of faith-based and inspirational books that provide practical and purposeful pathways for growth and maturity in many areas of life. His books are featured on the shelves in his Christian bookstore/cafe Books 'N Tea. Now, he's extending his reach by taking his ministry to the next level with the planned opening of a new church.

Gospel and Grace Christian Church plans to open its doors in the 3rd Quarter of 2014 for worship services, but intends to hold Bible studies and ministry classes long before then.

“There are people without food, clothing, shelter, employment, and other basic essentials. I've been in many of these situations and more, so my heart is filled with compassion. Before you can concentrate on a relationship with God practical needs must be addressed.”

A Pastor, Author, Speaker, Teacher, he uses his past as a platform to train people how to overcome obstacles to their growth.

His first ministry, a marriage that is still going strong after 30 years, he has a plethora of personal, professional, and practical experiences to pick from. His wife, Annie, retired in December 2013 after 20 years in leadership with a nonprofit as teacher and director. She holds multiple degrees and certifications; is a licensed Evangelist; and has 15 years leadership experience serving others in church and ministry.

“The past 18 years I've spent training for this moment. I served in leadership under two pastors; attended multiple seminaries; currently pursuing a Doctorate in Organizational Leadership; spent time in hospitals, nursing homes, prisons, and other places that laid the groundwork for Gospel and Grace Christian Church.”

Dozens of the author's podcasts are on YouTube and iTunes under 'Pastor Keith Hammond'.
