

A LESSONS FOR LIFE BOOK

FAITH

A man in a white shirt and shorts is walking barefoot on a narrow, rocky path that spans a deep chasm. The path is covered with a layer of water, creating a shimmering reflection. The background is a dramatic sky with a mix of blue, orange, and yellow hues, suggesting a sunset or sunrise. A large, bright lightning bolt strikes down from the dark clouds on the right side of the image. The overall scene conveys a sense of courage and faith in the face of uncertainty.

Introduction

Based on 2nd Corinthians 5:7 'walk by faith, not by sight' this book teaches how our faith unleashes the power of our potential, and helps us find our purpose. Shows how King David as a boy, didn't wake up that morning with the intent to kill a giant. His faith unleashed the power of his potential and then uncovered his purpose. Goliath **looked** bigger. David **believed** better. The same power God gave David we can use. Gives dozens of scenarios where faith always overcomes fear, if you use it.
