What would you say about someone who had:

- + Written and released eight books
- + Opened and operated a bookstore/cafe
- + Married off two daughters in separate weddings
- + Hosted several book signings for other authors
- + Compiled dozens of animated Bible videos
- + Released dozens of Podcasts on YouTube & iTunes
- + Manufactured his own tea and beverage brand
- + Secured a purchase agreement to open a church
- + Officiated and sang at a newpew's funeral
- + Enrolled in grad school to pursue a Doctorate
- + Programmed and launched two new websites
- + and much more...

...all within the past 18 months?!

Author/Expert Keith Hammond, in spite of having a past that would cripple most and put hurdles in front of many others, he is driven to succeed beyond normal parameters.

A Pastor, Author, Speaker, Teacher, he uses his past as a platform to train people how to overcome obstacles to their growth. Married 30 years, he has a plethora of personal, professional, and practical experiences to pick from. Hammond has written dozens of books that provide practical and purposeful pathways for growth and maturity in many areas of life. Books are available on Amazon, and LessonsForLifeBooks.com.

When asked what's in store the next 18 months, he answered “*God has me working on a new CD, opening a church, hosting a TV show, and releasing another dozen books.*”
